London Diploma in Psychosexual and Relationship Therapy

Diploma in Psychosexual and Relationship Therapy

The London Diploma in Psychosexual and Relationship, alongside two other intakes in 2025 offers one further and final intake, starting in the autumn 2025 and may be in-room in London or on-zoom, depending on need.

Great care has been taken to support trainees unable to attend Fridays, Saturdays or weekends and so, once a month, the course is scheduled for Tuesday, Wednesdays and or Thursdays in year 1 and Tuesday-Wednesday in year 2.

The London Diploma has an outstanding reputation as "the leading training provider" in the UK (External Examiner, 2024) and we are accredited by COSRT, NCPS and Middlesex University.

Applicants are required to have a minimum 120 hrs foundation Certificate in Counselling or equivalent.

Historically we have always attracted a diverse student population - from over 40 countries - and we have many years experience in training students from faith cultures, including Jewish and Abrahamic faith communities.

Course directors Judi Keshet-Orr and Bernd Leygraf shall lead this training, assisted by an International faculty.

Clinical placements take place during year 2 (we have over 200 places throughout the UK and Europe) and upon completion of the training graduates have immediate access to two registers at COSRT : Relationship Therapist and Psychosexual and Relationship Therapist.

For further information, dates and fees, see www.psychosexualtraining.org.uk
